

CePSWaM 2023

COURSE FOR CERTIFIED ENVIRONMENTAL PROFESSIONAL IN SCHEDULED WASTE MANAGEMENT

Organized by Greenvell (M) Sdn Bhd, Certified Training Provider for Department of Environment Malaysia

Course Information

Greenvell with collaboration with **EIMAS** is providing a training program to train your personnel who are involved in managing scheduled waste to be competent in their job function and will ensure that scheduled waste on your premise is managed properly in accordance with the legal requirements. This unique training course which focuses on hands-on approach is in fact the only one of its kind in Malaysia. A Certificate of Competency will be awarded to participants who successfully complete the course, passes the examination and submits a field training report and attending professional interview at EIMAS.

Course Objective

Explain the legal requirements on scheduled waste management

Identify, classify and categorize scheduled wastes

Implement sound and effective scheduled waste management practices

Formulate an implementation plan for full compliances with the regulatory requirements of the Environmental Quality (Scheduled Wastes) Regulations 2005

Minimum Requirement

1. Diploma or Degree in Science or Engineering; or
2. Certificates from polytechnic or SKM with **level 3**; or
3. SPM with **3 years' experience** handling scheduled waste. Please attach a letter from the company to confirm the working experience in handling schedule waste

Who Should Attend

Managers, executive and supervisors who are involved in **managing toxic and hazardous waste** (scheduled waste) at industrial facilities.
